

HSH – WE DO ORDINARY EXTRA-ORDINARILY

VALUE FOR TERM 1 – APPRECIATION

Newsletter 3/2021
19 February 2021

Dear Parents

One of our main objectives for 2021 is to strive for some sense of normality while trying to bring back some of the excitement of the whole school experience. It was clear that the boring monotony of school in a Covid environment was not good for our learners. Therefore, we decided that we are going to do our level best to bring back some of the elements of a “normal” school year. Obviously, we need to operate within the regulations of the government and we need to make sure that all Covid safety measures apply for the sake of safety of our learners, staff and parents.

Ouers sal op ons kwartaalbeplanning sien dat ons 'n hele paar aktiwiteite beplan. Die huidige regulasies laat aktiwiteite soos swem, krieket en atletiek binne skoolverband toe, maar daar is nog steeds 'n verbod op interskool-aktiwiteite. Dit beteken byvoorbeeld dat ons tennisspanne nog nie na Piketberg mag reis vir wedstryde nie. Daarom gaan ons fokus vir die huidige op Blou-en-Goud-kompetisies wees en ons eerste byeenkoms vind eerskomende Vrydag, 26 Februarie, plaas. HSH gaan kleure-atletiek hou! Dit gaan nie in dieselfde formaat wees as in die verlede nie, maar ons gaan probeer!

Firstly, participation is voluntary. No learner will be forced to participate. Secondly, no spectators will be allowed onto the sportsgrounds - only learners and HSH staff members. To minimise the risk, the programme will be shortened to only track items and, as always, all Covid regulations will apply. It is also important to note that Friday is a normal school day with regards to school attendance.

We are looking forward to a day where a few memories will be made!

Kind regards

Wehan Fourie (Principal)
