

HSH – ONS DOEN DIE GEWONE DINGE BUITENGEWOON!

WAARDE VIR KWARTAAL 2 – ENTOESIASME!

Nuusbrief 8/2021
14 Mei 2021

Dear Parents

I have a feeling that Saturday, 8 May will be a date that will forever be imprinted in my memory bank. For the first time in more than 400 days, we had the privilege of school sport on our sportsgrounds. The excitement of our learners and our staff was something that I will never forget. Furthermore, to stand next to a sportsfield and to experience the pure joy of our learners was an emotional experience! Once again, we took a step to normality. Once again, the staff and Governing Body need to be commended for their efforts to make this day possible. A lot of hard work and planning was put into this day to ensure a safe and smooth operation for all. Our learners also need to be commended for their behaviour on and off the field! They gave us lots of reasons to be proud of them! A big thank you to our worthy opponents, Vredenburg High School and Topolino Private School.

3. Standaard Operasionele Plan vir wintersportdae

HSH ouers moet asseblief kennis neem van die volgende:

STANDAARD OPERASIONELE PLAN Covid Wintersportdae

Die volgende inligting is belangrik ten opsigte van die aanbied en organisasie van wintersportdae op die sportgronde van Hopefield:

1. Staatskoerant 4486 stel skole in staat om 500 persone per area by buitelugbyeenkomste te akkommodeer;
2. Vir die doel van wintersportdae word Hoërskool Hopefield se sportgronde in 3 areas verdeel (sien aangehegte voorstelling);

Area 1 is slegs vir netbalspeelsters, afrigters en beamptes wat by die netbal betrokke gaan wees;

Area 2 is slegs vir rugbyspelers, afrigters en beamptes wat by rugby betrokke gaan wees wat op die A-veld gaan plaasvind;

Area 3 is slegs vir hokkie en rugbyspelers en beamptes wat betrokke gaan wees by rugby en hokkie wat op die hokkieveld B- en C-rugbyvelde gaan plaasvind;

NB! Alle o/7, o/8 en o/9 rugby vind op die C-veld plaas. Ouers laai hulle by die hek van Area 3 af en tel hulle weer daar op.

3. Mr. Handré Rall is the appointed Covid 19 compliance officer for the event;
4. As per the illustration, there will be one controlled entry and exit point for each venue;
5. All participants and officials must undergo screening. There will be a screening point at each venue;
6. Hand sanitizer will be available at the entrance of each venue and every person must sanitize their hands;
7. A person who leaves the venue temporarily and return again, must undergo the screening and sanitizing process again;
8. A register of all individuals from visiting- and HSH teams and officials will be kept;
9. Alle deelnemers en beamptes moet ten alle tye hulle maskers dra wanneer hulle nie speel nie. **NB! Reserwes dra hulle maskers wanneer hulle langs die veld is.**
10. HSH se kleedkamers sal gereeld skoongemaak en gesaniteer word;

11. Slegs die voorgeskrewe aantal persone soos aangedui op die kennisgewings by kleedkamers, sal toegelaat word;
12. Sporttoerusting moet na elke wedstryd gesaniteer word;
13. Ongelukkig sal GEEN toeskouers toegelaat word nie;
14. Sosiale afstand moet deurentyd gehandhaaf word en dit is almal se verantwoordelikheid om maskerdissipline toe te pas;
15. Geen wisseling mag tussen areas plaasvind nie;
16. Elke area gaan sy eie kleedkamers en snoepiepunte hê. (sien aangehegte illustrasie);
17. Areas se verdeling sal baie duidelik afgemerk wees. (Sien aangehegte illustrasie);
18. Laerskoolouers word versoek om hul spruite so vinnig moontlik na afloop van hulle wedstryde by die onderskeie ingangspunte af te haal.

7. **Projekte**

Ouers moet kennis neem van die volgende projekte;

- Sportkleedkamers

Die opgradering van die sportkleedkamers is goed op dreef. Ons terreinbestuurder, Mnr. Freddie Pretorius en sy span, is besig om kliphard te werk om hierdie projek te voltooi. Hierdie projek word befonds uit fondsinsamelings van 2020 asook die ruim erflating van mnr. Philbert Melck.

- Nuwe snoepie

Die Meintjes-familie het 'n baie netjiese vraghouer aan HSH geskenk. (Met 'n lugversorger, nogal!) Hierdie vraghouer gaan gebruik word as 'n nuwe snoepie nadat ons hom nog mooier gemaak het. Hierdie snoepie gaan bykomend wees tot ons bestaande snoepie en dit gaan dus die voordeel van meer bedieningspunte vir ons leerders inhou. Hierdie snoepie gaan aan die agterkant van mnr. Johan van Zyl se klas geplaas word en ons plan is om daardie area onder dak te plaas vir skadu en sitplek vir ons leerders. Ons gaan die fondsinsamelings vir die res van die jaar gebruik om hierdie projek te befonds. Die projek sal begin wanneer die sportkleedkamers se opgradering afgehandel is.

- Astro

During our Governing Body Meeting held on 11 May a decision was made to proceed with the Astro project. In principle, the Governing Body decided that our aim will be to develop a full-size Astro. In order to do so, additional land adjacent to our sportsgrounds will have to be purchased. We are very excited about this, but we are still in the early phases of this project. A lot of hard work was put into this project already, but many plans must still be made. We will continue to keep our parents and learners informed. Our dream is to develop a multi-purpose astro that will be able to cater for hockey, netball, soccer etc.

Watch this space! We will most certainly need your input and creative ideas!

8. Application 2022

HSH is privileged to be a school that is in very high demand for learner placement. Up to this date a total of 639 applications were received for place in 2022. It is flattering, but also heartbreaking. Every parent's applications is a wish for quality education for their children. Unfortunately, we simply can not accommodate all the learners. School management, the Governing Body and our parents will simply not allow a situation where we have 50 learners in a class. It will not be in anyone's interest.

Ons ontvang Saterdag ons vriende van Porterville. Weens logistieke redes kan Porterville nie al hulle spanne Saterdag na Hopefield toe skuif nie. Daarom sal slegs rugbywedstryde Saterdag plaasvind en netbalwedstryde op Dinsdag, 18 Mei afgehandel word op ons netbalbane. Dit was lekker om HSH ouers by die sportgrond te sien! Baie dankie vir julle ondersteuning! Kom ons bid daardie draad en vir Covid plat – een van die dae sit ons weer almal saam op die pawiljoen!

Voorspoed!

Wehan Fourie (Skoolhoof)
